Dr John Winer

Hon Secretary

Dr Robert Hadden

Hon Treasurer

Dr Haider Katifi

Treasurer Elect

Dr Charlotte Dougan

Council Members

Dr Carolyn Gabriel
Dr Ysuf Rajabally
Dr Christopher Allen
Dr Michael Lunn

After a dodgy start to the year with a number of life events conspiring to derail me and knock me off my perch we are now well on the way to final arrangements for a memorable meeting of BPNS in Norwich.

I am attaching with this email a list of all those who have specifically confirmed attendance at the meeting and diner. If your name is not on the list for dinner then there won't be a seat! Also if you have not said that you are coming to the meeting then there may not be enough food for every one else if you do come!

More importantly no one has come forward with cases for presentation either to me or to officers of the society.

I have included a very preliminary timetable that will undoubtedly change as time gets nearer. The invited section of the meeting will be exciting and a combination of clinical and basic science. We are also having a discussion forum led By Mike Lunn on treatment of paraprotein associated neuropathies.

Please let me know if you or any of your juniors are planning to attend.

I look forward to you enthusiastic support in the coming few weeks

Kind regards

Julian Blake

**BPNS Meeting
Friday 24 April 2015
Tolp of the City, Norwich City Football Club**

Sponsors:

Grifols, CSL Behring, Biotest and Genzyme

0930 **Coffee and Registration**
